Re: Note to the Reader

Dear Reader,

The present document include **my bachelor's diploma.**

My bachelor corresponds to the French podiatric medicine diploma (Diplôme d'État), which confers both a B.Med. title in Podiatric Medicine from the French Ministry of Health (Article D.4322-2 of the French Public Health Code) and a B.Sc. title in Allied Health (180 European credits) within the French university LMD system (Article D.4322-5 of the French Public Health Code and Article D612-32-5 of the French Education Code), awarded by the Faculty of Medicine of University of Paris – Cité.

The document is organized as follows:

- Pages 2: Official diploma.
- Pages 3: As the official diploma is issued in French only, an English translation is provided for readers.

Sincerely,

Cyrille E. Mvomo, PhD (c)
